

# NEW LABOR BOARD REFUSES HEARING TO RAIL STRIKERS

## Leaders Plan to Press Demands Again Today

# SITUATION IS IMPROVING

WASHINGTON, April 19.—Undeterred by the refusal of the railway labor board to hear them today, representatives of the railroad strikers announced that they would present written complaints, together with demands for a "living wage" to the board, which tomorrow will begin final hearings on the big wage controversy.

The board flatly declined to "receive" entertain or consider complaints from strikers, declaring it would only hear those who were adopting every reasonable means of avoiding interruption of railroad service. The board will proceed with the wage dispute involving the claims of nearly two million men, which failed of adjustment when the bipartisan board ceased to function, April 1.

Heads of four brotherhoods and chairman of the association of railway executives, all of whom were present today, will attend.

Timothy Shea, president of the Brotherhood of Railway Firemen and Engineers, said tonight that speedy settlement would be urged. Refusal of the board to hear strikers, Shea said, would have the effect of sending all the strikers back to work, many of whom had been laid astray, he thought, in the belief that the board might recognize them.

Delegates claiming to represent railroad men of all crafts in various cities who "have quit work," appeared at the offices of the board today demanding assurances of a substantial guarantee of increased wages which, they said, would send the strikers back to work. They composed an unorganized association, they said, known as the Railroad Workers of America, insisting that they still retained their membership in the recognized unions, since they had not struck but had only gone on a vacation.

General dissatisfaction with the board's action was expressed by the railroad workers. Edward Hughes, representing strikers in New York and New Jersey, declared he would continue his efforts to obtain some assurance of an increase from the board, adding that 8,000 men in the men arrested last week, was ordered back to work until such assurance was received.

Yardmen from St. Louis claim they are not sufficiently represented before the board by the recognized unions and demand that they be allowed to legislate for themselves.

Granaun failed again. CHICAGO, April 19.—John Granaun, president of the outlaw Chicago Yardmen's association, was taken to the county jail after he had refused to give \$10,000 bond on a charge of violating the Lever act, for which he was arrested last Thursday with 24 other strike leaders. Federal officers said Granaun had violated his promise to remain away from union meetings. R. V. Miller, an organizer for the United Engine-men's association, another of the men arrested last week, was ordered held awaiting bondmen. Miller told the district attorney he had not violated his agreement not to attend meetings until advised to do so by his attorney. He said he made his living as an organizer and that his attorney told him it was legal for him to go on with his work.

Following the issuing of new warrants last night for ten strike leaders, District Attorney Clegg indicated that 25 others would be served on men who succeeded to the offices vacated by leaders arrested.

Harold E. Reading, an officer of the engineers' association, who was re-arrested last night in the DuPage county jail at Wheaton. He refused to give bond.

While the railroads announced today that traffic conditions in Chicago were approaching normal, a new menace to railroad service came in the form of a strike threat from 35,000 freight handlers and railroad clerks.

George A. Worrell, chairman of the brotherhood of railway clerks in Chicago and Northwestern railroad, said a delegation of workers would confer with rail heads on a demand for an increase in wages. If the demands were not met, a strike vote would be taken, Worrell said. He said he was empowered to speak for all clerks and freight handlers in Chicago. At the national headquarters of the brotherhood of railway clerks in Cincinnati it was announced that no strike vote had been authorized.

The railroads announced that 528 switching crews were on duty here today, as compared with 495 last Saturday and the normal number of 765. The movement of livestock was reported normal.

B. H. Pershing, a strike leader. (Continued on Page Four.)

# NEGRO SEIZED FROM JAIL AND HANGED BY KANSAS MOB

## Charged With Attacking White Girl and Slashing Her Throat

PITTSBURGH, Kans., April 19.—A mob estimated to have numbered 1,000 persons late today surrounded the jail at Mulberry near here, seized an unknown negro identified as having attacked a young white girl here this morning and hanged him to a telephone pole. The mob made no attempt to molest a white youth, who with the negro who was captured by a posse this afternoon. Immediately after the lynching the youth was released from the jail by the authorities.

The attack upon the young woman took place while she was on the way to Mulberry from her home near that place. She was found tied to two trees by a small boy playing in the vicinity. Her throat was slashed. According to physicians, however, she probably will recover.

After their capture by the posse the negro and the youth were taken to Mulberry, where officials announced both the young girls and the youth identified the negro as the assailant. News of the arrest spread rapidly and the mob soon gathered. Then while part of the crowd held the officers back the others pried the bars from the windows, dragged the negro thru the aperture and hanged him to the telephone pole.

Details of the attack were told by officers by the youth, who said his home was in Springfield, Illinois, and that he was on his way to California. He declared he met the negro in Mulberry early today. The young woman who had been kidnapped while they were walking down the railroad tracks, according to his story. He said when he refused to assist in the attack the negro threatened him. After the attack, he said, he and the negro walked to Mulberry where the latter compelled him to buy cartridges for a shot gun.

# LET THE IRISH SETTLE THEIR OWN TROUBLES

## Declares Sir Geddes, New British Envoy To U. S.

# STATEMENT GIVEN OUT

NEW YORK, April 19.—Declaring that in this generation there is no quarrel between England and Ireland, Sir Auckland Geddes, new British ambassador to the United States asserted on his arrival here today that the Irish in Ireland should be allowed to grapple with their own political difficulties without outside interference. Asserting that it takes two to make a quarrel and that the present generation of Englishmen have steadfastly refused to quarrel with Ireland he said that when the new home rule bill becomes operative it "will be the duty of all British subjects who are not domiciled in Ireland to stand aside and leave those who live there to solve their problem."

"I venture to add," Sir Auckland continued, "that it will also be helpful if the many in all parts of the world who are not British subjects but are interested in Ireland likewise stand aside and leave the Irish to grapple with their own political difficulties."

Sir Auckland also referred to the Russian situation stating that until Russia returns to the circle of producing and trading nations, economic conditions of the world and the cost of living cannot be placed on a normal footing anywhere.

Sir Auckland, accompanied by Lady Geddes, J. J. Broderick, commercial councillor of the embassy, and embassy attaches, were met at Quinsboro by Roy Linday, charge d'affaires of the British embassy and Counsel General Armstrong of New York. They left at once for Washington.

Sir Auckland was last here in 1914 and Lady Geddes, who was born in New York, left this country in 1916. Previous to 1914 Sir Auckland had been in the United States many times.

The new ambassador consented to pose for photographers while coming up the bay. His resemblance to President Wilson was commented upon by all who met him.

His prepared statement, given out on arrival, follows in part: "On arrival, I wish first to say that I look on my appointment as British ambassador at Washington as the highest honor and privilege which could possibly have been granted to me. I believe the main hope of world peace rests on the existence of mutual respect and understanding between the United States and the British community of nations. It is my respect and understanding. I do not suggest that even if there was complete understanding of the difficulties of one nation by the other there would be in either country complete agreement in detail with the method of solution which may have received the support of the majority in the other policy. I should have got rid of suspicion breeding misconceptions.

"For generations England has given sanctuary to representatives of the discontented and the down-trodden. We have learned that to keep peace for that quarter of the human race of eyes allegiance to the British crown imposes a heavy strain upon the material and moral resources of our peoples.

"To avoid worse evils than those we seek to remedy it is often necessary to move with slowness, always with caution; but one thing I can say positively and without fear of informed contradiction, the inspiration of British policy during the period I have known it, has been, if possible, to bring order out of chaos, to extend the boundaries of freedom to the lot of oppressed; to increase the material prosperity of the world.

"We are trying now as always to meet the legitimate needs of those in all countries."

# U. S. STEEL CORPORATION FIGHTING COST OF LIVING

NEW YORK, April 19.—Elbert H. Gary, chairman of the United States Steel Corporation, informed the stockholders at the annual meeting in Hoboken today that the corporation was holding down the prices of its product because of the high cost of living.

Referring to inquiries made by stockholders as to why the prices of the corporation's products had not been raised above those fixed by agreement between the industrial board and steel manufacturers on March 21, 1919, he said: "It seems to us the problem of high cost of living is of convincing importance. When the increasing tendency is to insist upon payment of unreasonable sums for every commodity and for every service, so that the vicious whirl of advancement seems to be unending, we think there is a moral obligation on the part of every one to use all reasonable efforts to check this carnival of greed and imposition, even at some sacrifice.

"There is a growing discrepancy between different individuals and interests. The man with a fixed income is at a disadvantage and is helpless. He cannot increase his income to meet the increased cost of living. Therefore, it should be the first effort of all to establish and maintain a reasonable basis of prices; certainly to prevent further increases; otherwise the government, from the standpoint of protection of the public must interfere."

The attitude of the corporation on prices, Mr. Gary added, "has had considerable influence in preventing increases in the general selling prices of steel, although some (manufacturers) have made them, due as they claim to the increased cost of manufacture."

"Moreover, it is believed the selling prices of most of the diversified products of the corporation for the present are high enough though it is pertinent to say that when the actual value of the properties and volume of business are considered the net return is at least moderate."

Mr. Gary said much thought had been given to the question of shorter hours for the corporation's employees, but that workmen were not satisfied with short days if larger pay could be obtained by working longer days.

Reviewing last year's steel strike, Mr. Gary announced that the corporation would continue to maintain the open shop.

"We stand," he said, "for the open shop, which permits a man to work whenever and wherever he pleases, on terms mutually agreed upon, whether he does or does not belong to a labor union.

"We do not combat labor unions as such. We of course acknowledge the natural right of labor to organize; but we insist that a labor organization should be subjected to governmental control and regulation like any other organizations. Discrimination by law in favor of against any particular class is detrimental to the interests of the general community."

Mr. Gary said that public approval of the recent decision of the United States supreme court, refusing to dissolve the steel corporation, was practically universal and added in this connection: "So far as the corporation and its subsidiaries are concerned, we shall not disregard the laws of the country or the public interest."

It has been the ambition of the manager of the corporation, he concluded, to prove that a corporation may be possessed of mind, heart, and soul.

Referring to many letters from stockholders asking why dividends on the common stock were not increased, Mr. Gary said that the management desired to add to the intrinsic value of the stock regardless of stock exchange quotations and this principle sooner or later would be reflected in increased selling prices.

E. R. Campbell, a newspaper editor of Alton, Ill., and a stockholder, was applauded at the meeting when he said that sentiment of the people in his section of the country was that Judge Gary should be president of the United States.

# U.S. OPERATION OF RAILROADS VERY COSTLY

## Total Loss to Government Over Billion Dollars

# WIND UP BILL IS SLASHED

WASHINGTON, April 19.—Reduction of \$30,000,000 in the \$420,000,000 asked by the railroad administration to wind up its affairs was made today by the house appropriations committee. The new appropriation would bring the total of funds granted the railroad administration to \$180,000,000.

Total loss to the government growing out of federal control of the railroads was estimated today by the house appropriations committee at \$1,129,000,000. This includes the \$225,000,000 estimated as guarantees to the roads under the terms of the transportation act.

Completing emergency deficiency appropriation bill, the committee proposed a flat appropriation of \$300,000,000 for the administration and recommended that the treasury department be authorized to purchase \$30,000,000 worth of Liberty Bonds held by the administration.

Discussing the cost of federal operation of the roads, the committee in its report said: "Clearly it was not the purpose of the director-general of the railroads to give the impression that \$904,000,000 would cover the total losses sustained by the government during federal control, nor should it be inferred that \$225,000,000 shown as the additional loss the government will suffer because of federal control is the only loss which the government will sustain because of the federal control and operation of the roads.

It must be remembered that the government will have an investment in railroad securities arising from federal control of \$862,000,000.

"No one will contend that the government will realize the full amount invested in those securities. If all the securities owned by the government at the present time, including investment in liberty and victory bonds, were sold, on the market for cash it is quite probable that the loss to the government in these transactions alone would total more than \$250,000,000 on a total investment of more than \$966,000,000 including the investment in inland waterways. Assuming that the railroad securities owned by the government would shrink \$250,000,000 by the present conversion thereof into cash the total loss to the government chargeable to federal control and operation of the railroads amounts to \$1,375,000,000 leaving out of consideration any question of under-maintenance."

Besides the fund for the railroad administration, the committee recommended appropriations aggregating \$9,000,000 for miscellaneous government services, the principal one being \$7,000,000 additional for carrying for war disabled soldiers and sailors by the war risk insurance bureau.

# MOVEMENT AGAINST CARRANZA GAINING GROUND RAPIDLY

## More States Reported to Have Joined the Sonora Troops

# BULLETIN

AGUA PRIETA, Ariz., April 19.—Carranza forces in Chihuahua have revolted the president of Mexico and aligned themselves with the Sonora revolution against his administration it was announced today by General J. M. Pina, commander of the Sonora forces in this district.

AGUA PRIETA, Sonora, April 19.—The revolutionary movement of Sonora against President Carranza is gaining ground rapidly, military headquarters here reports. General J. M. Pina, commander of the Sonora troops in this district announced General Francisco Urbalejo with his Carranza forces at Santa Rosalia, Chihuahua, had revolted and would take the field for the Sonora movement. Urbalejo was reported to have four hundred Yaqui Indians under his command. Santa Rosalia is on the Mexican Central which runs south from Juarez, Chihuahua. It was said great damage could be done by Urbalejo to Carranza's line of communication between the South and troops in Northern Chihuahua.

Military headquarters at Hermosillo reported today that the troops of General Angel Flores were continuing their march toward Mazatlan, an important west coast port of Mexico.

At military headquarters here and among business houses generally, appreciation was expressed today of the action of the United States postal authorities lifting the ban on the sending of mail to Sonora from the United States thru this and other Sonora ports of entry. The chamber of commerce of Hermosillo, capital of Sonora, has passed resolutions thanking the United States and the state of Arizona for permission not being granted by the United States for Carranza troops to cross American territory and attack Sonora.

# INTER-ALLIED SUPREME COUNCIL BEGIN SESSION

## Turkish Question is the First to be Taken Up

# ARE MEETING AT SAN REMO

SAN REMO, April 19.—By The Associated Press.—The inter-allied supreme council began its formal sessions today in the villa Devauchau, on the hills northwest of the main town.

While the Turkish question was on the program for first consideration by the conference today, it develops that there already has been discussion over the question of enforcing the execution of the treaty with Germany. There seems no doubt that the premiers are agreed a joint delegation must be sent to Germany requiring her to fulfill the conditions of the Versailles Treaty and that if she does not to so the allies will take measures to compel her.

The premiers, however, have not yet agreed upon the form of ressure to be used should Germany continue negligent.

Premiers Millerand, Nitti and Lloyd George, after their meeting with Foreign Minister Scialoja of Italy; Philippe Berthelot, official director of the French foreign office; Earl Crozon, British foreign minister and numerous secretaries met yesterday at the villa Devauchau to begin late in the afternoon at Premier Nitti's hotel. No outsiders were present with the exception of three interpreters. They were agreed that Germany should be told in the most positive manner that he must observe consequences should she refuse.

Premier Lloyd George suggested economic pressure—driving Germany of food, raw materials and intercourse with allied countries. Premier Millerand is described as having said that such pressure, without the use of naval or military aid, would be no pressure at all. He declared it would be another "make believe" and that Germany would conduct her economic business thru the neutral countries just the same. The only pressure that would be effective, he asserted, would be force—the application of such force as the military and naval divers might deem sufficient.

Premier Lloyd George, it is said, resisted this conclusion. Premier Nitti inclined toward the British prime minister's view and he matter rests there for the present. A compromise may be made in the ultimatum to Germany with the threat of applying effective compulsion without indicating what form of compulsion might take.

In considering the Turkish question today the council decided to reply to President Wilson's note on the subject giving him all explanations as to why it could not accept the points he made in this connection.

The reply of the allies in thus applying full information on his question is taken here to indicate the Turkish general attitude toward the United States government in treating the unsettled European problems.

The Turkish treaty was approved by the council today in its general form in which it was drawn by the council of foreign ministers in London. It was decided to request the Turkish representatives to present themselves in London on May 10 to receive the treaty. The draft of the reply to President Wilson's decision is being prepared tonight and will be submitted to the council tomorrow.

At the afternoon meeting the council continued its consideration of the Turkish treaty discussing the financial clauses. The Bagdad railroad and Turkish bonds. The financial experts of the three governments were in attendance.

No Man's Land for Armenia. Washington, April 19.—The council of the league of nations as agreed informally according to information reaching Washington that it cannot assume the mandate for Armenia as suggested by the council of premiers importance is attached by officials here to the decision since an all-

(Continued on Page Four.)

# U. S. SUPREME COURT RULES AGAINST ORDER OF TRADE COMMISSION

## Declares Body Has no Right to Demand Monthly Reports from Industries

WASHINGTON, April 19.—The supreme court of the District of Columbia ruled today that the federal trade commission was without authority to enforce its order requiring monthly reports of production costs from coal mine companies and other industries.

In granting the application of the Maynard Coal company of Kentucky and Ohio for an injunction to restrain the commission from proceeding to collect a penalty of \$100 a day for every day of failure to report, Justice Eady declared that the powers the commission sought were vast and unprecedented and beyond the province of congress to convey. The court's decision affects virtually every mining and manufacturing company in the country, it was said tonight by corporation lawyers.

The victorious power of congress is limited to that part of the business over which it has control, and which, under the constitution, it has power to regulate, the decision said.

In order for the commission to have the power to require reports as to the mining of coal and in interstate shipments it would have to prove that such information is necessary to or for the public. Some subject over which the general government has power, the commission has not the power to "exact the reports and information sought."

# HOUSE REPUBLICANS AGREE ON SOLDIER RELIEF LEGISLATION

## Two Different Plans Carry- ing Cash Bonuses Have Been Submitted

WASHINGTON, April 19.—Republican house leaders today tentatively agreed to present a soldier relief measure to the house about May 1.

Besides carrying cash compensation the bill will include alternative offers of priority in land settlement home building and extensive of vocational training. Two plans for adjusted cash compensation have been submitted by a sub-committee of the house ways and means committee, one granting \$1 for each day's service and the other \$1.25 for each day, with no payments for the first two months of service. Under the latter plan, members said those exempted because their service was less than sixty days and those serving for a longer period would be treated impartially, no payments being authorized to anyone for the first two months' service.

It is proposed to begin cash payments on January 1, 1921, continuing quarterly installments. A tax on gross sales it is said probably will be the plan to be adopted by the committee to raise necessary revenues.

The sub-committee considering the most adaptable method of raising revenues for cash compensation has not yet decided on any definite plan. Two alternatives are before the committee, the first a tax on the sale from the retailers to the consumers, and the other a tax on all turnovers, that is a tax on each resale from the producer to the ultimate consumer.

# PRESIDENT CALLS CABINET MEETING

Washington, April 19.—President Wilson today called his cabinet to meet him tomorrow for the second time since he has been ill, last September. It was said that the meeting, unlike that held last week, would be devoted to routine problems, and this was taken to indicate a resumption of regular sessions of the president's official family might be in prospect. Mr. Wilson's decision to see his cabinet is understood to have been taken with the advice of his physician, Dr. Cary T. Grayson, who expressed himself as greatly pleased at the manner in which the president withstood the stress of last week's meeting.

# GREEKIAN WINS 25 MILE ROAD RACE

BOSTON, April 19.—The American Marathon road race commemorating the feat of a Greek soldier who ran from the plains of Marathon to Athens with a military message and then dropped out of the race, was won today by a native of Marathon, Peter Trivoulidas. A resident of New York, he proved the fleetest of a field of sixty runners. The classic 25 mile race was the official test for election for the United States representatives at the Olympiad.

Trivoulidas ran the eight minutes slower than the record, but fast considering a partly adverse wind, was two hours, 29 minutes, 31 seconds.

# HOME RULE FOR IRELAND URGED

Chicago, April 19.—The Chicago Federation of Labor adopted a resolution today at its regular meeting yesterday requesting British organized labor to champion the cause of Ireland in its fight for home rule. James H. Brennan, who introduced the resolution, said every American Labor Federation was voting on the question.

# TRAVELS THRU STATE WITH SMALLPOX

Springfield, Ill., April 19.—Health authorities at Galesburg, Ill., were directed by Dr. C. St. Clair Drake, state director of public health to investigate a report received today that a young man from Galesburg with a well developed case of smallpox has been traveling thru several counties and has not yet been quarantined. The young man, whose name was not given in the report to Dr. Drake, is said to have been in Mt. Sterling, Brown county; Avon, Fulton county, Golden, Adams county and then to have returned to Galesburg.

# GIVEN PERMISSION TO OPERATE BUS LINE

Springfield, Ill., April 19.—The state public utilities commission today granted a certificate giving the Arrow Motor Line company the right to operate a motor bus line between Chicago and Libertyville. The company was also given permission to sell 5000 bonds.

# URGENT MERGING OF WATERWAYS

St. Louis, April 19.—Recommendation that the Mississippi Valley Waterways association merge with the Mississippi Valley association was made in the annual report of James E. Smith, president of the former organization at the annual convention here tonight.

# SUES FOR DIVORCE

Chicago, April 19.—Mrs. Florence C. Marquard, known in vaudeville as Blossom Seely, to day filed suit for divorce from Richard (Rube) Marquard pitcher for the Brooklyn National League baseball club. She charged desertion since 1918. They were married in 1913 and have one son.

# WEATHER INDICATIONS AND TEMPERATURES

Illinois.—Showers and probably thunderstorms in northern and south portion Tuesday; Wednesday unsettled, not much change in temperature.

Temperatures.

Member the ASSOCIATED PRESS. The Associated Press is exclusively entitled to the use for republication of all news dispatches credited to it or not otherwise credited to this paper.

Congress has discovered that there were more than two hundred and fifty press agents attached to Government departments and bureaus during the war, costing half a million dollars a year. No wonder the people did not get much accurate information.

A Michell Palmer, federal attorney general, is called "the fighting Quaker," a sobriquet much made use of in exploitation of his candidacy for the Demo-

cratic presidential nomination, but whom he has ever fought or is going to fight is involved in mystery. Certainly the profiteers and the sugar conspirators are not of them he has ever laid low and there is no prospect that they are to be.—Fort Wayne (Ind.) News Sentinel.

**JUST A FEW BILLIONS DIFFERENCE**

Expenses in the national government this year are figured at something like \$7,000,000,000. It was only a few years ago that half that amount for government expenditure would have been considered an outrageous extravagance.

Certainly there is need for the talked of return to old time democratic simplicity. However, that "simplicity" has never brought about any democratic economy that could be noticed when the government bills were paid.

**CLEANING UP THE TOWN**

Some recently compiled statistics show that each year 2,000 workers die in Chicago who are especially exposed to street dust. This fact points to the need for clean streets. Here in Jacksonville it is understood that a general clean-up program is in prospect, with the co-operation of

both men and women. Then the money from the wheel tax is going to be used in keeping the streets clean. Everybody will be benefited by these cleanly conditions.

**THIS IS AN IMPORTANT ELECTION DAY.**

The regular spring city election will be held today. Polls open at 7 o'clock and close at 5. The only contest is in the third ward but that fact should not lessen your election interest. Go to the polls today and give the aldermen who are serving the city so well a large complimentary vote.

Remember too that on your action today depends whether or not the city will have sufficient funds to complete the filtration and power plants. Vote YES on the bond issue.

## CLARK A LOYAL DEMOCRAT

Champ Clark, following the custom of years' standing, is being groomed for the Democratic presidential nomination. There is a lot of difference of opinion as to Mr. Clark being of presidential size, but he can lay claim to party loyalty. He has been a Democrat of the "died in the wool" type for these many years.

Another thing can be said in Champ Clark's favor, and that is that he was defeated for the nomination in a convention where a majority of delegates had been instructed to vote for him, he took the stump for Woodrow Wilson and helped elect him. That took both a forgiving spirit and party loyalty.

**HERE'S SOMETHING WORTH WHILE**

Not everyone will realize the fact but one of the very best things that the present city council has done has been in offering the council chamber as headquarters for a Boy Scout troop. The troop in question has been quartered in the Y. M. C. A. building and the sale of that building has made a change necessary.

What could be finer than quarters in the city hall, and it is to be hoped that other troops which are to be formed here will find accommodations in the same building. Those who have taken the pains to look into the Boy Scout movement, its scope and purposes, are convinced that it is one of the greatest efforts ever started for the making of men.

The Boy Scout movement moulds character. Thru its plan of work, boys join in many sports. They learn something of woodcraft—in fact, they do all the things for amusement that normal healthy boys do, and at the same time loyalty to home and country is inculcated. They learn the dignity and necessity of work and in fact there is all around character development.

The city hall as troop headquarters will mean that both men and boys will be benefited.

**PURE SEED LAW WORKS.**

**IMPRESSIVE SERVICES FOR WELL KNOWN ALEXANDER RESIDENT**  
Sunday Afternoon—Burial in Diamond Grove Cemetery.

One of the largest funerals ever held in Alexander was that in memory of the late Mrs. E. J. Kumble, held at the family residence Sunday afternoon. Rev. M. L. Pontius, pastor Central Christian church, was in charge of the services, which were of a most impressive kind.

Music of a most appropriate kind was furnished by a quartet composed of local residents, Miss Cora Graham, Mrs. Mae Hitt, Messrs. C. L. Mathis and Roy Harney, Mrs. Ernest Strawn accompanied.

The floral offerings were especially beautiful and were cared for by Misses Elizabeth Zeller, Althea Hall, Martha Mason, Mrs. C. H. Bearup, Mrs. John Reid and Mrs. Fred Neal. Many of the flowers were sent by ex-soldiers and others whom Mrs. Kumble had aided in various ways.

Rev. Mr. Pontius read as his text John 14-1: "Let not your heart be troubled." He emphasized the fact that Mrs. Kumble's life had been one of service, and that she had been particularly a servant of the community. She was a leader in the various war-time efforts and as president of the Red Cross at Alexander had been especially helpful to the soldiers and their families. The minister said that the memory of this life of service, together with the hope of immortality, brought comfort to the hearts of the sorrowing ones.

The fact that Mrs. Kumble was a member of Central Christian church in this city and thus could not regularly attend the church of her choice, the minister said did not prevent her taking an active part in church affairs. She was a faithful attendant and worker at the Alexander M. E. church and her death means a distinct loss to that denomination as well as to the one with which she was affiliated as a member.

As previously mentioned Mrs. Kumble was a daughter of the late William S. Strawn and she was born in Alexander in June, 1881.

## MRS. E. J. KUMBLE FUNERAL HELD AT ALEXANDER

Impressive Services for Well Known Alexander Resident Sunday Afternoon—Burial in Diamond Grove Cemetery.

One of the largest funerals ever held in Alexander was that in memory of the late Mrs. E. J. Kumble, held at the family residence Sunday afternoon. Rev. M. L. Pontius, pastor Central Christian church, was in charge of the services, which were of a most impressive kind.

Music of a most appropriate kind was furnished by a quartet composed of local residents, Miss Cora Graham, Mrs. Mae Hitt, Messrs. C. L. Mathis and Roy Harney, Mrs. Ernest Strawn accompanied.

The floral offerings were especially beautiful and were cared for by Misses Elizabeth Zeller, Althea Hall, Martha Mason, Mrs. C. H. Bearup, Mrs. John Reid and Mrs. Fred Neal. Many of the flowers were sent by ex-soldiers and others whom Mrs. Kumble had aided in various ways.

Rev. Mr. Pontius read as his text John 14-1: "Let not your heart be troubled." He emphasized the fact that Mrs. Kumble's life had been one of service, and that she had been particularly a servant of the community. She was a leader in the various war-time efforts and as president of the Red Cross at Alexander had been especially helpful to the soldiers and their families. The minister said that the memory of this life of service, together with the hope of immortality, brought comfort to the hearts of the sorrowing ones.

The fact that Mrs. Kumble was a member of Central Christian church in this city and thus could not regularly attend the church of her choice, the minister said did not prevent her taking an active part in church affairs. She was a faithful attendant and worker at the Alexander M. E. church and her death means a distinct loss to that denomination as well as to the one with which she was affiliated as a member.

As previously mentioned Mrs. Kumble was a daughter of the late William S. Strawn and she was born in Alexander in June, 1881.

Interment was made in Diamond Grove cemetery in this city. The bearers were Ernest Strawn, Harold Strawn, John Kumble, Fred Neal, C. H. Bearup, and Joseph Zeller.

**ADDS INTEREST TO THIRD WARD ELECTION**

C. A. Osborne made it known Monday that he is a candidate for alderman in the Third ward in the election to be held May 10. The candidate said that he had been asked by both Republican and Democratic friends to run, and had decided to be a candidate on the Democratic ticket.

Asked to his attitude about the issuance of bonds, Mr. Osborne said that was a question that the people would decide at the polls today and that his personal views had no bearing on the subject.

Mr. Osborne has long been a resident of the Third ward and has often served as an election judge.

**JUDGE BURTON TO HOLD COURT IN MAY**

Judge F. W. Burton will preside at the May term of the circuit court, according to a message received yesterday by Circuit Clerk Boston. The term will open Monday, May 10. Judge Burton stated that he can be here for four weeks and must then go to Macoupin county for at least one week's session. He instructed Mr. Boston to have the jurors drawn for the first and second weeks, and indicated that he hoped to have a full docket the first week.

There is more than the usual amount of business at the May term, because there were no jury trials at the February term, as was for a time intended.

The Yojasovi Camp Fire plays "The Burglar" and "Cranford," auditorium at School for Deaf 8 o'clock tonight. Tickets 50c.

**TO WAUPACA**

F. J. Andrews Jr., has gone to Waupaca, Wis., to attend to some work which is to be done at the Andrews summer home before the arrival of the family for the summer months.

**NOTICE WOODMEN**  
Members of Camp No. 912 are requested to attend smoker at hall tonight, April 20th.

**State Deputy C. S. Townley will address gathering.**  
All Woodmen welcome.

**With the Sick**

John A. Vickery became a patient at Passavant Hospital yesterday.

**TO WAUPACA**

F. J. Andrews Jr., has gone to Waupaca, Wis., to attend to some work which is to be done at the Andrews summer home before the arrival of the family for the summer months.

**IMPRESSIVE SERVICES FOR WELL KNOWN ALEXANDER RESIDENT**  
Sunday Afternoon—Burial in Diamond Grove Cemetery.

One of the largest funerals ever held in Alexander was that in memory of the late Mrs. E. J. Kumble, held at the family residence Sunday afternoon. Rev. M. L. Pontius, pastor Central Christian church, was in charge of the services, which were of a most impressive kind.

Music of a most appropriate kind was furnished by a quartet composed of local residents, Miss Cora Graham, Mrs. Mae Hitt, Messrs. C. L. Mathis and Roy Harney, Mrs. Ernest Strawn accompanied.

The floral offerings were especially beautiful and were cared for by Misses Elizabeth Zeller, Althea Hall, Martha Mason, Mrs. C. H. Bearup, Mrs. John Reid and Mrs. Fred Neal. Many of the flowers were sent by ex-soldiers and others whom Mrs. Kumble had aided in various ways.

Rev. Mr. Pontius read as his text John 14-1: "Let not your heart be troubled." He emphasized the fact that Mrs. Kumble's life had been one of service, and that she had been particularly a servant of the community. She was a leader in the various war-time efforts and as president of the Red Cross at Alexander had been especially helpful to the soldiers and their families. The minister said that the memory of this life of service, together with the hope of immortality, brought comfort to the hearts of the sorrowing ones.

The fact that Mrs. Kumble was a member of Central Christian church in this city and thus could not regularly attend the church of her choice, the minister said did not prevent her taking an active part in church affairs. She was a faithful attendant and worker at the Alexander M. E. church and her death means a distinct loss to that denomination as well as to the one with which she was affiliated as a member.

## MRS. E. J. KUMBLE FUNERAL HELD AT ALEXANDER

Impressive Services for Well Known Alexander Resident Sunday Afternoon—Burial in Diamond Grove Cemetery.

## QUICK RESPONSE FROM CAR OWNERS

Fifty-Two Paid City License Fees Monday—Several Residing Outside the City Limits Made Voluntary Payments.

Fifty-two owners of automobiles paid their license fees yesterday at the office of Chief of Police Kiloran, amounting to \$253. This was a mighty good day's work, as only 161 notices were sent out.

The car owners seem to understand that this license fee is being collected because of the city's need for additional finances and with the hope of keeping the streets in better condition.

By chance one notice was sent to Thomas N. Bush, who is a resident of Finley street and so lives outside the city limits. He was informed by Chief Kiloran that he was not subject to the tax. "But I use the streets all the time," said Mr. Bush, "and I want to pay the same fee that is charged owners of cars in Jacksonville."

So of course, Chief Kiloran took the money.

V. R. Riley, manager of the Norbury Sanatorium, notified the city authorities recently that the tax would be paid on all cars owned by people at the sanatorium, altho it is outside the city limits. Several residents of South Jacksonville have also indicated their wish to pay.

It was announced Monday that two men experienced in paving work will at once be put upon the streets and will devote all their time during the coming months to street repair work. A great deal can be done in this way to put "bumpy" pavements into decent condition again. The work will also mean a great deal in adding to the life of pavements for with street paving "a stitch in time saves nine." There are small holes in pavements which, if given attention at once, will amount to little, but if they are not repaired soon, will get into condition which cannot be remedied and irreparable damage is done to the pavement.

Until further notice the PEACOCK INN will close every night, except Saturday, at 8 p. m.

**MISS ANDERSON DIES IN NEBRASKA**

Word has been received at the Woman's College of the death of Miss Jennie M. Anderson, of Evanston, Ill. Miss Anderson was for several years head of the History Department at the College, she left there in 1918, and during the last year she has been teaching in Lincoln, Neb., at the Nebraska Wesleyan University.

No particulars were received but indirectly it was learned that the funeral will be held in Evanston Tuesday afternoon.

**WILL CLOSE STORES**

The stores of Woodson will be closed each evening beginning tonight until Friday night, inclusive, on account of the church campaign in that community.

**Further Information**  
**About Green Seal Batteries**

Last week we told you how the batteries came to us and the process that they went thru till the battery was ready for the car.

You know that when you get something that you have to make yourself and watch it closely while doing it you know that you are going to have something that is worth while when you get through.

That is just the way of a Green Seal Battery; we get it absolutely dry, use our new bass wood separators (which by the way are the best separators that money can buy) proceed to build up the battery just like it would be made at the factory.

After it has been made up and assembled it is then ready for the charging table to be given its proper charge, which varies in different types of batteries. It remains on charge for not less than forty-eight hours and not more than fifty-two, then it is given what is called a cadmium test which indicates the voltage in each individual cell, if in perfect condition it is ready for market.

So you see you can't go wrong in buying a Green Seal Prest-O-Lite Battery. We claim to have the best service in the country and if you don't believe it come and see for yourself.

Don't get the mistaken idea that we can't overhaul, charge or repair any other battery but a Prest-O-Lite for we surely can do it to a Queen's Taste.

## Spring Is Here

Are you going to paint this year?

Did you ever stop to think what a coat of paint on your house or outbuilding would do for you?

It not only improves the looks of your buildings but it preserves the lumber from the weather.

Ho often have you driven by a place that was nicely painted and you commented upon the thrifty appearance of the property.

And while the old saying is "That clothes do not make the man" but in these latter years we all acknowledge that a well dressed man makes the best headway in this world, and so it is with your property, if it is well kept you will find that you have a higher standing in your neighborhood and among your associates.

We would call your attention that we have a full line of standard paints and oils for the interior as well as the exterior. Also a full line of brushes and painters' supplies, as well as a complete line of hardware, harness and farming implements.

Letter from Mrs. Bruce

Remarkable Story of Sickness and Recovery.

Brooksbury, Ind.—"When I was a young girl I clerked in my father's store and lifted heavy boxes which caused displacement and I suffered greatly. I was married at the age of 18 and went to a doctor about my trouble and he said if I had a child I would be a little better. After three years twins came to us and I did get all right but three years later a baby boy came and I was troubled again. I could scarcely do my work at all and suffered for four years. A neighbor told me about Lydia E. Pinkham's Vegetable Compound and I took it for a year or more. Now I have a baby girl and do not have any female trouble. You can do anything you like with my letter to help others."—Mrs. J. M. Bruce, R. F. D. 3, Brooksbury, Ind.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as that above—they tell the truth, else they could not have been obtained for so long a time. This medicine is no stranger—it has stood the test for more than forty years.

If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass.

Quick Action Corn Cure

"Gets-It" Stops Pain Instantly and Corn Soon Lifts Right Off.

A few drops of "Gets-It" quenches corn pains like water quenches fire. Gives you immediate relief.

"Gets-It" Feels It Off

The corn begins to lose its grip at once. In a day or two it is as loose that you can lift it off, roots and all, twist thumb and finger. That's the last of it, as millions have found out. It is the simple, effective and common-sense way to be rid of corns.

"Gets-It" never-failing, guaranteed, money-back corn remover, costs but a trifle at any drug store. Sold by E. Lawrence & Co., Chicago.

Recommended as the World's Best Corn Remedy by Armstrong's Drug Stores.

EATONIC is the best remedy, it takes the harmful acids and gases right out of the body and, of course, you get well. Tens of thousands wonderfully benefited. Guaranteed to satisfy or money refunded by your own druggist. Cost a trifle. Please try it!

The College Hill club at her home on West Lafayette avenue Monday afternoon.

Following the regular business session, Miss Isabel Walker, who was a member of the club last year, when she was a member of the faculty at the Woman's College, made a talk on her work at the University of Wisconsin.

The hostess served refreshments during the social hour which followed the program.

## Family Reunion At Crabbe Home

A family reunion was held at the home of Mrs. Harriet Crabbe, on East College street, Sunday. A sumptuous dinner was served and an enjoyable day was spent. Those present were Mrs. M. J. Clark, of Merritt; William Crabbe of Decatur; Mrs. Orlie Thorn and daughters, Thessell and Betty, of Akron, O.; Mrs. Cleo Crabbe, of St. Louis, and Mrs. Fred Patterson, of St. Louis.

Four generations were present at this reunion, Mrs. M. J. Clark, Mrs. Merritt Crabbe and Mrs. Harriet Harris and daughter, Ruth.

## Trinity Women Hold Annual Meeting

The annual meeting of the Woman's Auxiliary of Trinity church was held yesterday afternoon in the Guild hall.

Following the business session officers were elected for the ensuing year.

President—Mrs. J. F. Langston.

Vice President—Mrs. U. G. Woodman.

Vice President—Mrs. J. Parker Doan.

Secretary—Miss Fannie Wakely.

The delegates to the diocesan Auxiliary meeting in Alton next month will be appointed next month.

Mrs. J. Parker Doan read a charming paper on "The Work of Women in America." After which the hostesses, Mesdames W. T. Capps, H. M. Andree and E. E. Hatfield served tea.

## Mrs. William Patterson Celebrates Eighty-Second Birthday

On Sunday, April 18, Mrs. William Patterson celebrated her eighty-second birthday at her home, 1131 West Lafayette avenue. Since this was the first time in twenty years that all of the children were able to be together the event was especially enjoyable.

The following were present: Mr. and Mrs. L. Patterson, Chicago; Mrs. L. B. Williamson, Oakland, Cal.; Mr. and Mrs. G. W. Patterson, Mr. and Mrs. Irvin Patterson and son, Mr. and Mrs. E. G. Dewese and daughters, Mr. and Mrs. E. H. Patterson and family, Mr. and Mrs. James W. Crum and family, Mr. and Mrs. A. J. Bacon, Mr. and Mrs. Jno. W. Boston, A. J. Boston and daughter, Mr. and Mrs. Alexander Patterson, Mrs. Daniel Moy and children, Sam Wood, Roy Patterson, of Jacksonville.

Mrs. Patterson, altho so far advanced in years, is strong mentally and physically and gives promise of many more useful years.

## Men's Bible Class of Grace Church Meets

The Men's Bible class of Grace M. E. church met at the church last night for supper and a business session, followed by a program. There were between thirty and forty men present for the event which proved most enjoyable. An excellent supper was served at 6:15 by the ladies of the Opportunity Circle of Grace Sunday school. Following the supper various matters of business were given attention and then came a brief program.

Elzie Bown gave a most interesting memory test, after which Judge Paul Samuell made an address on "The Juvenile Court." Both of these features of the evening's program proved most interesting.

The Men's Bible class of Grace church is one of the most wide awake men's organizations in the city. J. J. Reeve is the teacher and Dr. E. D. Canatsey the class president. C. E. Williamson is the chairman of the membership committee and A. G. Cody is the head of the social committee which had in charge the arrangements for last night. It is planned to hold these social meetings once a month.

## LAST DANCE OF THE WINTER SEASON Woodman Hall, Wed. Night. LABBY'S JAZZ BAND

**WRESTLING MATCH**  
Milwaukee, Wis., April 19.—Stanislaus Zbyszko, tonight won two straight falls of a catch-as-catch-can wrestling match from Demetrius Tolias, heavyweight. Tolias succumbed to a catch and double wrist lock in fifty minutes and to a toe and half Nelson in three minutes.

Used by 3 Generations  
of Expectant Mothers  
**MOTHER'S FRIEND**

Has been found a time tried relief during the stages of maternity. The delicate organs involved should be prepared for an easier, quicker and more practical delivery. Mother's Friend is used externally.

At all Druggists.

## INTER-ALLIED SUPREME COUNCIL BEGINS SESSION

(Continued From Page One.)  
most essential preliminary to a discussion of Turkish readjustments by the San Remo conference will be a definition of the conference's attitude toward Armenia.

The fact that it does not control military forces and other machinery necessary to the administration of a state is understood to have been the basic reason for the decision of the premier's conference. The council will suggest, however, officials here believe that Armenia should be placed in the category of new states to be controlled indirectly by the league—such as former German colonies—and that some neutral state be designated as mandatory.

The allied reply to President Wilson's Turkish note is expected by diplomatic officials here to point out that without the acceptance by the United States of the responsibility for part of the burden of the solution of the Turkish question the allies have found it impossible to adopt the president's suggestion that the Turk be driven out of Europe.

The allies have taken the position it was said that the eviction of the Sultan was impossible without the assumption by some power preferably the United States of the obligation for the protection of Constantinople and contiguous Turkish territory. For economic and political reasons officials said choice of any other power than the United States was precluded and since the United States has refused the proffered mandate over Turkey no other solution than to leave the Turk in Constantinople under inter-allied control was possible.

## NEW LABOR BOARD REFUSES HEARING TO RAIL STRIKERS

(Continued From Page One.)  
from Youngstown, who addressed a meeting of strikers said the tie-up in the Pittsburgh district was growing.

"We are going to stay out on our vacations in Cleveland, Youngstown and Pittsburgh," he said. "There were only a few trains moving in those cities today."

## BUILDER AND CONTRACTOR

George A. Johnson, builder and contractor, 229 South Mainville street. All work guaranteed.

## SUSPEND PETITION FOR INCREASED PHONE RATES

Ill. 32 Bell 109

## MORE WATER IN LAKE MAUVAISTERRE

No Danger to Big Dam, But Water Inundates Additional Farm Land.

The continuance of rain is bringing more and more water into Lake Mauvisterre. Alderman Chapin, chairman of the water committee, and his assistants visit the lake each day. By keeping the valves of the head house clear from logs and other rubbish, it has been possible to materially reduce the amount of water.

Alderman Chapin said last night at the city council that there seemed to be a misunderstanding on the part of the public with reference to the high water. He said that the concrete of the dam would not be touched in any way, that the intention is later to make a hole probably 24 inches in diameter in the valve tower so that water will run off rapidly and permit the completion of the work on the Vandalla road.

After this work has been done and the road is properly protected, then the concrete taken out from the valve tower will be replaced.

The high water now is backing up on some farm land other than that originally provided for but this trouble will be speedily remedied. Meanwhile those who are annoyed by high water are making the best of the situation and are co-operating with the city authorities in the endeavor to bring about the best remedy.

## WILL PRESENT TWO PLAYS TONIGHT

Yojasovi Camp Fire Girls Will Give Double Bill at School for the Deaf.

The Yojasovi Camp Fire Girls gave a rehearsal presentation of two comedies at the State School for the Deaf Monday night. The audience was made up of teachers and pupils of the school and they found "The Burglar" and "Cranford" well worth while.

Rehearsals have been in progress several weeks and the plays will be given tonight at the school for the deaf beginning at 8 o'clock. "The Burglar" is a comedy in one act by Margaret Cameron, and "Cranford" a comedy in three acts arranged by Marguerite Merlington. The casts will be as follows:

"The Burglar."  
Mabel Dover—Maud Eva Hackett.

Valerie Armsby—Mary Janet Capps.

Freda Dixon—Carol Lander.

Edith Brent—Mary Edith Baumgardner.

Peggy Barton—Lois Harney.

"Cranford."  
Miss Matilda Jenykns—Mabel Rogers.

Mary Smith—Caroline Doane.

Martha—Helen Turner.

Miss Pole—Helen Walton.

Mrs. Forrester—Edith Putnam.

Mrs. Fitz-Adam—Frances Griswold.

Miss Betty Barker—Catherine Wilson.

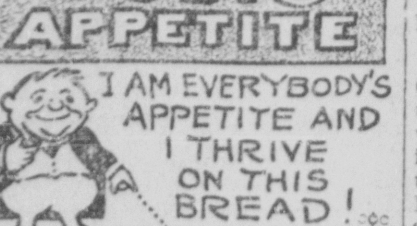

The Hon. Mrs. Jamieson—Elizabeth Smith.

Lady Glenaire—Lavinia Scott.

Peter Markmaduke Arley Jenykns—Hugh Wilson.

## FIRST BOXING MATCH IN TWENTY YEARS

Providence, R. I., April 19.—In the first public boxing match in this city in twenty years, Paul Moore, of Memphis, gained the decision over Roy Moore of St. Paul in a 12-round bout.

**YOUR APPETITE**  
I AM EVERYBODY'S APPETITE AND I THRIVE ON THIS BREAD!

## HOME-MADE BREAD

Your appetite will invite you to eat several slices of this bread at each meal. Each slice tastes like more. You'll get to be as fond of this bread as the kiddies are and goodness knows they get into the habit of asking for it all the time once their little tasters have tested it.

## FRANCE WILL KEEP LARGE ARMY

Paris, April 19.—France must maintain an army of 700,000 men until enemy countries "show their good will by executing the terms of their treaties", in the opinion of government officials, according to newspapers here. Plans under contemplation call for 350,000 conscripts constantly under training, eighteen months service being required of each man. Wages equal to those paid industrial workers, less the cost of food and lodging provided by the government will be paid enlisted men and conscripts who re-enlist. It is expected bills to carry out this program will be introduced in the chamber some time in June.

## DIES WHILE ON HONEYMOON

Chicago, April 19.—A. M. McQuiggan, today returned to Alton, Ill., with the body of his wife on the same train they had intended to leave Chicago on at the end of a five day honeymoon. Hundreds of persons leaving theatres saw Mrs. McQuiggan knocked down and killed last night by a mail truck.

## EXPERIENCE COUNTS

## Plenty of Coats ALSO Plenty of Trousers

—Last week we took for our text, "Plenty of Coats, but no Trousers", and explained to you just how that condition came about.

—This week we will give you a little talk on "Plenty of Trousers".

—The secret is just this—with each suit order an extra pair.

—You say, "Why it costs more!"

—Now, just a minute—does it?

—We say, No! Because the longer and full wear-value obtained from the coat and vest, much more than compensates for the first small added cost. Stop and recall how many coats and vests are discarded, while yet good, just for lack of trousers to match and you quickly will get the idea.

—Every one of our tailored-to-measure coats and vests will outwear two pairs of trousers. Buying in this way is true economy, the economy we are all called upon to practice these days.

—Come in and inspect the new Spring woollens and find out just how reasonably we will fashion for you a two-trouser suit.

## WINCHESTER WOMAN'S CLUB MET MONDAY

Interesting Program Carried Out at Public Library—Other News Items From Scott County Town.

Winchester, April 19.—The assembly of the Woman's club met at the public library Monday afternoon. After a business session which lasted for half an hour, Miss Mary Pack who arrived on the afternoon train from Urbana, made a very interesting talk on "The School Lunch." The speaker mentioned the various phases of the domestic science department at the university of Illinois and especially emphasized the importance of the hot lunch for school children.

Following Miss Pack's interesting address, Miss Taylor, the community nurse, told of her work in Scott county. As they listened, her hearers were impressed with the fact that much good is being done thru Miss Taylor's efforts. The program as a whole was one of special merit. Mr. and Mrs. Bluford Violett of Beardstown were guests of Mrs. Anna Brown, Sunday.

Ralph Lankford and Little daughter have returned from a visit with relatives in Iowa. Henry Higgins, who has been confined to his home for several

days by illness, is now much improved. This will be welcome news to his many friends.

J. O. Priest arrived Sunday from Jacksonville for a brief visit with relatives here.

Miss Orpha Knapp spent Sunday with relatives in Alton.

Misses Lois and Margaret Coults arrived home Sunday from Jacksonville.

Mr. and Mrs. Edward Lilley left Sunday afternoon for White Hall to visit at the home of Mr. and Mrs. Alonzo Ellis.

Mr. and Mrs. William Freitag of Ashland and Mrs. Anna Crum and son of Ianthe, Mo., spent the week end with Mr. and Mrs. Charles Freitag, east of Winchester.

FRANKIE OSNER WINS FROM WILLIE COLONA

Has St. Louis Battler Almost Out in Eight Rounds at Beardstown—Wilson Kayos Hanlon.

Beardstown, Ill., April 19.—Frankie Osner of Alton, scored a technical knockout over Willie Colona of St. Louis in the eighth round of a scheduled ten round bout here tonight.

The bout was one of the best ever staged here and both boys went at top speed. Osner proved the cleverer and had the punch and Colona was practically out when the fight was stopped in the eighth.

Wilson, of Centralia, knocked out Hanlon of St. Joseph, Mo., in the second round in the semi windup. The bout was scheduled to go eight rounds.

Osner will box Mason, the American flyweight champion here on May 10.

Until further notice the PEACOCK INN will close every night, except Saturday, at 8 p. m.

PUPILS OF BLIND GAVE ANNUAL CONCERT

The pupils of the Illinois State School for the Blind gave their annual concert in the chapel of the institution last evening.

All of the pupils acquitted themselves in a worthy manner and credit is due the instructors whose training was reflected in the work of the pupils.

Mrs. Helen McDougall James had charge of the program. The program was published in the Journal Sunday morning.

Mr. and Mrs. Orville Atkinson left Sunday morning for Roseville, Ill., and will take up farming.

DON'T BE DECEIVED BY THE WORD "PURITY"

You hear, read or are told that this, that or the other toilet soap is made of pure ingredients. Maybe it is. But that's not enough.

You might make up a batch of jelly—of pure grape juice—of pure sugar. But if those ingredients came in contact with impurities—they cease to be pure.

It is just the same with toilet soap. The manufacturers of Remmo Sterilized Toilet Soap seem to have found the final solution of positive soap purity.

Remmo Sterilized Toilet Soap—as many other Toilet Soaps—is made of the purest of soap ingredients. To protect those ingredients against all forms of impurities with which they might come in contact, the combined ingredients are sterilized at 198 degrees Fahrenheit.

Remmo Sterilized Toilet Soap possesses the only kind of purity that means anything at all to soap users—it is pure when used.

This positive soap purity quickly makes itself known in improved complexion beauty—a delightful skin coloring and velvety skin texture.

This extreme purity, high excellence of cleansing quality and precaution against impurity adds nothing to the cost of this Toilet Soap.

Remmo Sterilized Toilet Soap can be procured from your dealer at the same price asked for toilet soaps that can not give you the same degree of purity or the same pleasing results.—Adv.

SORE THROATS, COLDS

Quickly Relieved by Hamlin's Wizard Oil

Hamlin's Wizard Oil is a simple and effective treatment for sore throat and chest colds. Used as a gargle for sore throat it brings quick relief. Rubbed on the chest it will often loosen up a hard, deep seated cold in one night.

How often sprains, bruises, cuts and burns occur in every family, as well as little troubles like earache, toothache, cold sores, canker sores, stiff neck, and tired aching feet. Soothing, healing Wizard Oil will always bring quick relief.

Get it from druggists for 30 cents. If not satisfied return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pink pills, 20 cents. Guaranteed.—Adv.

MINISTER THANKFUL

"I had stomach trouble for nearly 20 years, also constipation which filled my system with gas and fever. I could not do my work, and while I was down sick a lady from out of town sent me a bottle of May's Wonderful Remedy, which proved truly wonderful. I believe it is the best medicine on earth." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will cure or money refunded. For sale by all druggists.—Adv.

## MRS. EFFIE KAIME DIES AT HOME IN WEST

Daughter of Late M. P. Ayers Will Be Buried at Denver.

A message received Sunday by Walter Ayers brought the sad news of the death of his sister, Mrs. Edwin F. Kaime, at the home of her daughter, near Los Angeles.

Mrs. Kaime before her marriage was Miss Effie Ayers and she was a daughter of Mr. and Mrs. Marshall P. Ayers, and was born in Jacksonville June 10, 1859. She attended the public schools and subsequently the Athenaeum, graduating there in 1878. Her marriage to Edwin F. Kaime was solemnized Nov. 17, 1881. Mr. Kaime had been a student of Illinois college and completed his course here in 1880.

After their marriage their home was established in St. Louis, where Mr. Kaime thru a period of years was at the head of an extensive real estate business. Subsequently because of his health the family home was transferred to Denver and there Mr. Kaime's death occurred in 1907.

In recent years Mrs. Kaime has made her home with her daughter, Mrs. Venturo Rapatoni, at her ranch home at Chino, Calif., not far distant from Los Angeles. Mrs. Kaime is remembered by her many friends in Jacksonville as a woman of gentle and kindly spirit. Those intimately acquainted with her knew that these characteristics dominated her whole life and that she lived earnestly and well.

The deceased is survived by her daughter mentioned and by one son, Clifford Kaime, a ranch owner in New Mexico. She leaves also a sister, Mrs. Helen Ayers Bullard and two brothers, John A. and Walter Ayers.

The funeral will be held at Denver but the details have not been made known here.

WESLEY MATHERS ANNUAL CONTEST HELD

Miss Esther Harper of Kentland, Ind., Winner of First Prize—Audience Was an Appreciative One.

The annual Wesley Mathers contest in expression was held at the Woman's college in Music hall last evening before an appreciative audience.

Much interest has been shown this year in the expression department and the contest last night was close. The long program was interesting and each of the contestants did her part well.

Miss Esther Harper, of Kentland, Ind., won first prize with "A Minuet" by Parker. Miss Marjorie Deatridge of Auburn won second place with "The Laughter of Leen".

The other contestants and their subjects were:

"Cutting from 'A Tale of Two Cities'", Dickens—Dorothy Remley.

"The Funeral That Flashed in a Pan", Fitch—Harriet Keys.

"The River of Stars", Noys—Anna Canada.

"The Selfish Giant", Wilde—Mary Rose Adams.

"At Home to His Friends", Tarkington—Marguerite Wills.

WELL KNOWN MANCHESTER RESIDENT IS BURIED

The funeral of the late George Sloan was held at the M. E. church at Manchester at 2:30 o'clock Monday afternoon, with services in charge of Rev. M. L. Pothus of this city.

The deceased was a life long resident of Manchester and was a man quite prominent in the affairs of his home community. He was fifty six years of age at the time of his death, which occurred Saturday following a paralytic stroke.

Mr. Sloan is survived by his aged mother, his wife and four sons and two daughters. One daughter, Miss Lulu Sloan, was at one time a student at Illinois college in this city.

WILL MEET WEDNESDAY

The Social Domestic Science club met Friday, April 16, with Miss Louisa Kirk, with good attendance. She was assisted by Mary Bell H. Merryweather and Miss Lena Mitchell. A pleasant afternoon was spent and good programs rendered. The prize was given by Katherine Heathman. The club adjourned to meet the third Friday in May with Pauline Merryweather.

EDWARD MALLORY SERIOUSLY ILL

Edward Mallory, of the Mallory Brothers store is lying at the point of death. His brothers and sisters who are living in Kansas City have been sent for.

Pure Wholesome Economical

There is a Difference in the Way the Liberty Rides and Drives

## Liberty Touring Car

The difference of the Liberty's riding and driving it not to be wondered at when one learns the steadfast quality of the car, which becomes more and more apparent as the miles roll up.

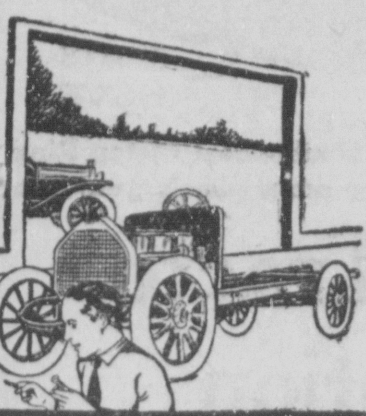

To this unmistakable worth, and also to the high order of designing displayed even in the very minor details, may be attributed qualities so divergent as the unusual comfort which the Liberty affords, and the uniform reasonableness in the cost of operation and upkeep. The car is one of the moderate weight in proportion to its size, amply powered, with a responsiveness and flexibility that are remarkable.

It is replete with features that have literally commanded the enthusiasm of Liberty owners. The upholstery is of genuine leather in the French pleated type, fitted over unexcelled special cushion springs. Plainly-marked side curtains are carried in a very accessible compartment back of the front seat. The steering wheel is of black walnut, properly corrugated around the inner surface. There are special top holders, horse-hair carpets in each compartment, a rear curtain light of beveled plate glass set in a heavily nickle-plated rim, and an equipment that is considered exceptionally complete.

## Where the Word "VICTROLA" Came From

The word "Victrola" was made up by combining a portion of the word Victor with a portion of the word "viola."

It was originated and trade-marked for the specific purpose of distinguishing products of the Victor Talking Machine Company.

The word "Victrola" is a trade-mark fully protected by registration in the United States Patent Office. Its use or application to other than Victor products is not only misleading, but it is against the law.

## Shoes That Express Refinement

Women who are particular about the small but important details of their summer costume will give careful consideration to the subject of footwear.

Nothing adds more to the attractiveness of a costume than graceful, stylish footwear. This is particularly true in summer, and the variety of pleasing and fashionable pumps and oxfords which we are showing offers a wide range of choice, exclusive models for every occasion—street, dress, sport or evening wear—and all of them the season's latest creations. They come in a wide variety of pleasing leathers, lasts are graceful and stylish. The heels are of the gracefully arched Louis design or the equally attractive and rather more practical Cuban model.

### BOY SCOUTS WILL USE CITY COUNCIL CHAMBER

Council Grants Use to Harry Walker's Scout Troop and Also Other Troops Who Wish to Use It—Collection of Wheel Tax Begins.

That the present city council is heartily in sympathy with the Boy Scout movement was shown at the regular meeting Monday evening when the body voted to grant the use of the city council chamber to Harry Walker's scout troop.

This troop has always been quartered in the Y. M. C. A. building and as that building is to be given up to the Elks May 1st, the troop had to seek other quarters. The council also voted to extend the use of the council chamber to any other scout troops who wish to use it.

Mayor Crabtree in bringing the matter before the council spoke highly of the movement, saying he thought it one of the greatest ever undertaken for the boys of the country. All of the aldermen heartily agreed with him.

Ald. Chapin spoke of the proposal of cutting an opening in the valve tower to lower the water in Maudslayi Lake. The alderman said there seemed to be a misunderstanding by the public in the matter.

Mr. Chapin said there was no intention to cut the dam or injure it in any way as some seemed to think. Neither was the water overflowing any land except the area that had been figured on by engineers. The sole and only object was to lower the water in order that the Vandalia road and the Woods' Inn could be placed in shape for travel. Mr. Chapin said if the opening was cut it would be a small one and that when the roads were built it could easily be closed and put the water up to the present level.

A number of other matters were discussed, among them the Morton road. J. W. Elliott was present and talked on this matter. Mr. Elliott was of the opinion that grading and oiling would greatly improve the road.

The Proceedings.

Roll call showed all aldermen present except Ald. Ehnle, Mayor Crabtree presiding.

The minutes of the last regular meeting were read and approved. L. T. Potter for the Jacksonville Creamery company offered the city the use of vacant ground adjacent to the company's plant in North West street for parking purposes.

A. W. Becker also offered the council the use of a vacant piece of ground in West Morgan street. Both offers were accepted with thanks and referred to the highway committee with power to act.

Assistant City Clerks.

R. L. Pyatt notified the city council that he had appointed George W. Davis and Mrs. Clark Green as assistant city clerks during his absence from the city. The appointments were confirmed by a unanimous vote.

Claims against the city were presented and all those properly approved were ordered paid.

Ald. Cain, chairman of the police committee, reported that the collection of wheel tax had commenced and that the response was very satisfactory. Fifty-seven residents and one non-resident had paid tax and the total collected was over \$200.

**Non-Resident Pays Tax**  
Mr. Cain said that Thomas Bush of Finley street who had recently moved from Murrayville paid the tax. It was explained to Mr. Bush that he did not owe the tax but he said that he used the city streets and was perfectly willing to help toward their upkeep.

Ald. Flynn, seconded by Ald. Williamson, moved that a vote of thanks be extended to Mr. Bush for his generous action and that the city clerk notify him of the action of the council.

Ald. Williamson, chairman of the highway committee, reported that one of the largest property owners of East Superior avenue had asked if that thoroughfare could have a curb and gutter placed in it and oiled. The alderman said that the property owners would pay for the curbing and gutter and also for the oil. He was instructed to interview other property owners of the street and ascertain their sentiment on the proposition.

Ald. McGinnis said Mrs. Henry Engel had made complaint about people throwing ashes in East Court street. The matter was referred to the chief of police to notify the offenders to cease the practice.

**Explain Water Situation**  
At the time Ald. Chapin explained to the council what was contemplated in lowering the water in Maudslayi Lake. The alderman said that many people had the wrong impression of what it was intended to do.

Some believed that the city was going to cut the dam and let all the water out. Others were of the impression that the water was overflowing and not contemplated by engineers who planned the dam.

Mr. Chapin said that no land was overflowed except that shown in the plans for the lake. He also said that the proposition was to cut a small opening in the valve tower to lower the water so that work could be completed on the Vandalia road and the Woods' Inn. This was the only object the alderman said. Afterward the opening could be closed and it would not injure the valve tower in the least.

**Officers Bonds Approved.**  
The bond of R. L. Pyatt, city clerk, in the sum of \$5,000 with Millard F. Dunlap and Otto F. Buße as sureties was presented and approved and placed on file.

The bond of E. M. Henderson, public engineer in the sum of \$1,000 with J. W. Walton and Joseph Vasconcellos as sureties was also presented and approved and placed on file.

A report of the insurance carried by the city which had been prepared by M. C. Hook was presented by Mayor Crabtree. The report was ordered placed on file by Carl E. Robinson as attorney.

**DESERTION IS ALLEGED**  
Julian W. Hall yesterday filed a suit for divorce from his wife, Elizabeth Hall. It is set forth in the bill that the marriage occurred November 18, 1902, at Virden, and that a home was maintained until January, 1918.

The complainant is represented by Carl E. Robinson as attorney.

### and a vote of thanks extended to Mr. Hook.

Boy Scouts Use Council Chamber  
Mayor Crabtree called attention to the fact that Harry Walker's troop of Boy Scouts would have no home after the Y. M. C. A. gave up its present building. He recommended that the use of the use of the council chamber be extended to the troop.

In this connection Mr. Crabtree said he thought the Boy Scout movement one of the greatest ever started for the benefit of the boys of the land. The speaker said that everything should be done to encourage the boys.

All of the aldermen were of the same opinion as Mayor Crabtree and it was voted unanimously to invite the Walker Scout troop to use the council chamber. It was the sense of the council that all other Scout troops should be extended the same invitation.

Ald. Cain said that a property owner of East College street, had told him that at one time a petition signed by all of the residents of the street had been prepared asking the council to change the name of the street to Marquette Place.

The matter was discussed at length but action was deferred until some future meeting.

J. W. Elliott and J. W. Baptist were present and spoke briefly. Mr. Elliott spoke particularly of the condition of the Morton avenue road. The matter was discussed at length. It was the opinion of Ald. Williamson that the road could be placed in good shape by filling and then putting clay on the surface and oiling.

The matter of disposing of the buildings at the north end pumping station was referred to the chairman of the water committee with power to act.

No further business appearing the council on motion adjourned.

### NOTICE WOODMEN

Members of Camp No. 912 are requested to attend smoker at hall tonight, April 20th.

State Deputy C. S. Townley will address gathering. All Woodmen welcome.

R. F. Asher, Consul.

J. Earl Vasconcellos, Clerk.

### Funerals

#### Ervin

Funeral services of Howard Henry Ervin were held from the residence, 979 East College avenue at 2 o'clock Monday afternoon, in charge of Rev. A. A. Todd, pastor of the First Baptist church.

The flowers were cared for by Miss Ethel Haley and Mrs. Ernest Sibley. Music was furnished by Mrs. Gertrude Richardson and Miss Carrie Spire. Burial was in Jacksonville cemetery.

#### Larimore.

Funeral services for the late Mrs. S. H. Larimore were held at 3 o'clock Sunday afternoon from the family residence, 651 East State street. Rev. D. V. Gowdy, pastor of Centenary M. E. church, was in charge of the services. The house was filled with relatives and friends of the deceased, who for so many years has been a prominent resident of the community.

The esteem in which Mrs. Larimore was held was evidenced by the floral tributes which were profuse and beautiful. They were in charge of Mrs. J. F. Shreve, Miss Helen Shreve and Miss Lou Martin.

A quartet including Miss Clara Ransom, Mr. and Mrs. T. H. Rapp and A. C. Metcalf furnished music for the occasion.

Rev. Mr. Gowdy took no formal text for his sermon but quoted the words: "It is better to go to the house of mourning than to the house of feasting." He said that while it is human to seek joy and pleasure and to shrink from sorrow, that yet there comes to every life times when sorrow must be borne. He said that it is at such times that Christ brings comfort, as His words of assurance are remembered. The minister dwelt upon the long and useful life which Mrs. Larimore had lived and said that such lives as hers yield an influence upon home and community which are far-reaching.

Interment was in Diamond Grove cemetery and the bearers were J. F. Shreve, James Martin, Dennis Schram, George W. Stout, James Stout and John Samples.

**Many of the prices quoted for mens negligee shirts by FRANK BYRNS are most reasonable. In many cases they are priced to the customers for less than the same quality can be purchased for from the factory.**

**Attend James R. Rice's closing out sale, Wednesday, 1:30 p. m. See list of offerings on page 7.**

### MORE SUBSCRIPTIONS TO ILLINOIS COLLEGE FUND

Total for City and County Nearly \$52,000—Trustees Express Appreciation—Names of Subscribers.

#### EXPRESS APPRECIATION

The following communication to the public, regarding the response to the Illinois College financial drive, was issued Monday by Andrew Russell, chairman of the board of trustees, and President C. H. Rammelkamp:

To all Friends of Illinois College:  
On behalf of the trustees of Illinois college and of our Endowment committee, we wish to thank all the good friends and former students who have helped so loyally and enthusiastically in the college financial "drive." We appreciate deeply both your work and your subscriptions. Over \$51,000 has thus far been subscribed.

Practically all of this amount has been subscribed in the city, the county being almost untouched. This is a larger amount than was contributed by the city to the Red Cross (\$42,636) or the United War Work (\$36,675) campaigns and we have every reason to feel grateful for the generous response of the public to the appeal of the college.

The campaign is not closed and will not be until the full quota of \$100,000 is subscribed in Morgan county. Friends in the city are still sending in subscriptions and as soon as conditions permit we hope to give our alumni and friends in the county their opportunity to help in this great cause.

Andrew Russell, President.  
Board of Trustees.  
C. H. Rammelkamp, President.

#### CAMPAIGN TOTALS

The following is the report on the Illinois college campaign for Monday:

Morgan County goal \$100,000.00  
Subscriptions Monday 1,396.00  
Previously announced 50,001.50

Total \$51,397.50

City	Team	Monday	Total
R. Y. Rowe	\$	10	\$ 5,483.00
H. M. Capps		630	9,424.00
E. H. Gray			4,602.00
H. King		175	7,187.00
J. W. Walton		30	6,889.00
M. L. Pontius			5,858.00
L. S. Doane		225	5,315.00
R. I. Dunlap		297	5,481.50
County—			
C. E. Robinson		29	1,154.00

Total \$51,397.50

Members of the soliciting teams who have been assisting in the Illinois college campaign made their final reports Monday morning at 11 o'clock. Included with one report was a pledge of \$500 sent by mail from a local alumnus. Still other pledges reported ran the Monday total up to \$51,372.50.

In turning in their cards the team members in many instances made notation of persons who have expressed a willingness to give something toward the fund at a later date. While the special teams have ended their work so far as Jacksonville is concerned, the work of solicitation is not over.

It is interesting to note that the total of subscriptions from city and county is from 460 subscribers.

Students of the college are vitally interested in the campaign and have planned for a house to house canvass tomorrow. They may not visit every residence in the city but nevertheless have the work mapped out in such a way that the canvass will be thorough.

As already indicated, the county canvass in charge of a committee of which Carl E. Robinson is chairman, has not been really commenced as weather conditions have been wholly unfavorable for this work.

#### Additional Subscriptions.

The following additional subscriptions were reported Monday in the Illinois College Campaign:  
Miss Jennie Allison, Miss Rispy Allison, George Barmer, Walter Bellatti, Joseph D. Benson, Dr. George R. Bradley, Breeden and Dorand, Edward L. Brown, Mrs. Nellie Brown, Clarence Buckingham, James H. Butler, Jacob F. Claus, George T. Douglas, Lina Epperson, R. A. Gates, John S. Green, Charles H. Hall, William E. Hall, Dr. J. R. Harker, Mrs. L. Foster Hitt, Frank T. Irving, Mrs. Josephine LaRue, William Lebkuecher, McCarthy - Gebert Co., W. D. Matheson, John Nanes, John A. Paschall, J. C. Penny Co., Homer L. Ransom, Miss Mary I. Rhoades, V. R. Riley, Charles A. Rowe, F. L. Sharpe, Raphael S. Shoemaker, Mr. and Mrs. C. H. Smith, Spieth Bros., P. G. Stein, James Stout, Addison L. Taylor, S. J. Tompkins, C. E. Williamson, Mrs. U. G. Woodman, York Bros.

**Attend James R. Rice's closing out sale, Wednesday, 1:30 p. m. See list of offerings on page 7.**

**CARD OF THANKS**  
We seek to express in this way our sincere gratitude to the friends who gave us their sympathy in the time of sorrow. The many kindnesses shown us will ever be held in memory.

Eliminate Oil Troubles  
Give High Compression

Double Seal Piston Rings  
carry money-back guarantee

## Automobile and Tractor Owners, Attention

Double Seal Piston rings will stop your oil troubles and give you a wonderful increase of power which will surprise you. Over two thousand have been sold here in Jacksonville by the various garages and your garageman can tell you about them and supply them for you. These rings have a money-back guarantee that will satisfy you. The construction is so that the top is one piece and the inside is also one piece, preventing carbon from packing and oil gumming, thus maintaining original efficiency. The wall of the cylinder is sealed and the groove is also sealed (thus the name Double Seal) which holds the compression and checks the oil from getting into the combustion chamber. Equal compression enables you to perfectly adjust your caburetor and get a 25 per cent greater mileage from a gallon of gasoline and also 500 miles on a gallon of engine oil.

Mr. McClain will go to the 54th regiment of the Sixth Division, Camp Grant, where there are several other Winchester men.

These enlistments bring the total enlistments at the local office up to forty-one for the year.

**NOTICE TO OWNERS OF DOGS**  
The law now provides that the owners of dogs shall pay to the county assessor at the time of the annual assessment \$1 for each male dog and \$3 for each female dog owned. Please be prepared to comply with the law's requirement when the assessor calls.

GRANT GRAFF,  
Supervisor of Assessments

## MRS. MATTHEWS' WILL FILED MONDAY

The will of Mrs. Berrinta Matthews was filed for probate yesterday in the office of County Clerk G. L. Riggs. This will was drawn December 24, 1896, with Emeline Colby, Hulda Clark and James A. Warren as the witnesses to the signature. The testatrix willed all of her property, including the farm near Exeter, to her daughter, Mary Matthews. Provision was made for the payment of debts, Miss Matthews to have all the property, real and personal, after such payment.

Mention was made in the will that the testatrix had previously made advances to her sons, John C. and Cyrus H. Matthews, and that on this account she is leaving all her property to her daughter.

Many Stetson hats are being sold by FRANK BYRNS Hat Store for less money than the John B. Stetson Co. is now charging merchants for the same articles.

## HEAL SKIN DISEASES

Apply Zemo, Clean, Penetrating, Antiseptic Liquid

It is unnecessary for you to suffer with eczema, blotches, ringworm, rashes and similar skin troubles. Zemo, obtained at any drug store for 35c or \$1.00 for extra large bottle, and promptly applied will usually give instant relief from itching torture. It cleanses and soothes the skin and heals quickly and effectively most skin diseases.

Zemo is a wonderful, penetrating, disappearing liquid and is soothing to the most delicate skin. It is not greasy, is easily applied and costs little. Get it today and save all further distress.

The E. W. Rose Co., Cleveland, O.

## CHARLES H. STORY VISITS KANSAS

Charles H. Story left yesterday for Garden City, Kas., where he will look after some land. While away Mr. Story will visit Atchison and Wichita, besides the southwestern part of the state. Ernest C. Rutherford will look after the Story exchange office during Mr. Story's absence. He will be gone about ten days.

## DON'T FUSS WITH MUSTARD PLASTERS

Musterole Works Without the Blister—Easier, Quicker

There's no sense in mixing a mess of mustard, flour and water when you can easily relieve pain, soreness or stiffness with a little clean, white Musterole. Musterole is made of pure oil of mustard and other helpful ingredients combined in the form of the pleasant white ointment. It takes the place of mustard plasters, and will not blister. Musterole usually gives prompt relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds or the chest (it often prevents pneumonia). 30c and 60c jars; hospital size \$2.50.

"My nails shine for a week without buffing when I use Glazo!"  
—And they don't break or spot at all!"

The old buff-buff-buff just heated up your nails and made them dry and brittle—and you had to polish—polish every day.

But now comes a new method. Glazo, the new liquid polish, is applied with a brush—and it makes your nails a pretty glowing pink and polished for a week.

Glazo protects the sensitive nails from dust and scratching—and keeps them in perfect condition.

Get a bottle of Glazo today from your druggist or department store. Just 50c—and Oh! the time you'll save and the pride you'll have in your "always polished" nails.

The Glazo Company, Cincinnati, Ohio.

Coover & Shreve, 7 West Side Square, 66 East Side Square

# Does 3¢ = Americanism?

Did you know that 3c is MORE than the churches average from each member per day?

WE AMERICANS may be thoughtless. Sometimes we may appear selfish. But when a great need arises, no one can say that we have ever shirked.

Ask any son of France. Ask any soldier of Great Britain. Or ask any Armenian mother or a girl with a red cross on her sleeve or one with a tambourine in her hand.

And now the churches come to us for help—our churches. Not begging. Not asking alms. But with heads lifted high facing a task so worthy that we, as loyal Americans, ought to feel it a privilege to help.

## Here is the Plain, Unvarnished Truth

We don't need to be told that the church is the heart of the Nation. We admit its influence for lasting good in our children. We see its stabilizing influence on our communities. We know a little of its great hospitals, its homes for children, its schools and colleges here and abroad.

But most of us do not realize how pitifully inadequate the support of the churches is when compared to the urgent needs.

## Less than 3¢ a day!

In spite of the great tasks which we expect our churches to carry out, those of us who give to the church—and the number is all too few—are now giving an average of less than 3¢ a day for all church purposes.

Less than 3¢ a day.

Shall our churches go on? It is for you to say.

Without your help the work of your church must be just that much less.

Give—and give from your heart as well as from your pocketbook.

## A World Survey Was Made

Our churches know the needs that must be met. They know exactly how every dollar—every penny—will be used for the greatest good without waste.

A world survey was made by the churches that astounds business men in its thoroughness. Country after country was studied; the countries of the world were visited and reported in minute detail.

## How the Interchurch World Movement Originated

Our churches said: "The task of meeting the urgent needs shown by the world survey is too great for us to do individually as denominations. We must do this work together."

So thirty great denominations are cooperating—each keeping its own purpose and identity—but all working together under the name of the Interchurch World Movement.

Because of this cooperation, it is estimated that over one million dollars will be saved alone in eliminating waste and duplication.

# INTERCHURCH WORLD MOVEMENT

This advertisement made possible by the cooperation of 30 denominations

## Fiery Skin Troubles?

Improper Treatment Makes This a Natural Question

Eczema, tetter, scalp eruptions, boils, pimples and other skin disorders are so stubborn and hard to get rid of, because they are not given the proper sort of treatment. You must know that use of lotions, salves, soaps and ointments can make no impression on your trouble other than to afford some temporary relief.

Then throw aside at once such makeshift treatment that can only reach the surface, and begin taking a remedy that goes direct to the source of your trouble. Go to your drug store, get a bottle of S. S. S., and begin a thorough

course of this fine old medicine that kills the germs that creep into the blood and cause all of your discomfort. S. S. S. is purely vegetable compound, made from roots and herbs of recognized medicinal value. It so thoroughly cleanses the blood and builds up and strengthens the entire system that the germs of disease are eliminated, and then real relief comes.

This fine old remedy is the same and sensible treatment for your skin disease, as you will find by giving it a trial. If your case should need special advice, it can be had without cost to you, together with valuable literature, by writing to Chief Medical Adviser, 173 Swift Laboratory, Atlanta, Ga., Adv.

## CUBS SCORE THREE RUNS IN TWELFTH

Final Score of Contest with Cardinals, 9 to 6.—Five Pitchers Used in an Attempt to Stop Chicago Team—Other Contests in National League Close.

St. Louis, April 19.—St. Louis used five pitchers in an attempt to stop Chicago this afternoon, finally losing, 9 to 6, in the twelfth inning when, with two out and two on base, Vaughn singled, scoring Paskert, and Flack doubled to deep center, counting Deal and Vaughn.

Score:	Chicago	AB.	R.	H.	O.	A.	E.

I. W. C. UNDERWRITES \$25,000 FOR THE INTERCHURCH MOVEMENT

"In the askings of the Interchurch World Movement Financial campaign, there is officially included \$25,000 for the Illinois Woman's College of Jacksonville, Illinois. This is done by special action of the board of education of the church, and the college has officially underwritten its share of the expenses of the movement.

It is hoped that this will have the favorable attention of all friends of the higher education of women; and that many will designate all or at least a part of their Interchurch subscription to the Illinois Woman's College at Jacksonville, Illinois. It is the privilege of every subscriber to designate his gift for any of the causes that are officially included in the movement.

LOTS OF HOSIERY

A few weeks before Christmas Thomas Duffner received a bill of holeproof silk hosiery from Milwaukee, the invoice amounting to over \$1400 which one would suppose would last a while but yesterday he received another from the same house and amounting to \$1,120. The whole lot was packed in boxes which occupied only a part of two ordinary tables and could have been taken away easily on a wheelbarrow at one rather small load.

CATHOLIC LADIES AID

The Catholic Ladies Aid Society will meet Wednesday afternoon at the K. of C. hall at 2:30. The hostesses will be Mrs. Fred Bolton and Mrs. T. M. Walsh.

Mrs. Otto Hurst and daughter, Eloise Fern, of Flint, Mich., have returned to their home, after a visit at the home of R. R. Brittenham and J. M. Hurst.

## BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success. They do all the good that calomel does but have no bad after effects. No pains, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they clear clouded brain and perk up the spirits. 10c and 25c a box.

Fine Steels form the Sinews of a  
**MAXWELL**

Everything that is built to endure must have fine sinews.

A great ship, a giant locomotive, a huge bridge, a gigantic building.

Search for the sinews in a Maxwell and you discover new steels, fine steels, special steels, steels manufactured to Maxwell's own formulae.

Steels, for instance, that make possible that rare combination of extreme lightness and brute strength.

For a Maxwell is made to be light in weight. Its mission is economic transportation.

Any superfluous pound to carry around means so much more cost of operation.

But the great problem was to get steels of rare quality and great strength.

They are found in a Maxwell in axles, shaftings, gears, frame, crankshaft, connecting rods, etc., etc.

They equal, pound for pound, the steels to be found in any car made.

Costly as they are, they repay their price many times over in the lifetime of a Maxwell.

They save. They pay dividends of satisfaction.

They make friends. They are responsible for that rapid rise of Maxwell the world over.

Nearly 400,000 now in use; 100,000 more in process of construction; and fully 40 per cent of those who have decided upon a Maxwell as their first-choice car will not be able to get one this year—so overwhelming is the demand for this remarkable car.

### Farm Bureau Notes

In a recent letter to members  
of the Morgan County farm bu-  
reau Agent Kendall presents the  
following interesting subject  
matter:

#### Seed Corn

We now have a place to display  
seed corn. We invite you to bring  
in a ten-car sample of the sort  
you have for sale and leave it on  
display for a while. A display  
like this ought to be bread cast

### When

your mouth tastes like all the mean  
things you ever did—mixed together,  
then you need

## BEECHAM'S PILLS

Your mouth is a good  
indication of the condition of the stomach  
and bowels.  
Largest Sale of Any Medicine in the World.  
Sold everywhere, in boxes, 10c., 25c.

upon the waters, which will re-  
turn after many days, and but-  
tered, too.

#### Labels for Seed Corn

Seed corn must be labeled, as  
well as grass seed. We now have  
a supply of printed labels for all  
grains that must be labeled, ac-  
cording to the Illinois seed law.  
These will be sold at actual cost  
to any one applying. They cost us  
1.6 cents each.

#### Vegetable Gardens

A home vegetable garden is de-  
cidedly profitable. In all proba-  
bility a half acre planted in gar-  
den vegetables will bring greater  
returns than any other equal area  
on the farm. These ten vegeta-  
bles may be grown anywhere in  
the state: Irish potatoes, toma-  
atoes, cabbage, lettuce, sweet corn,  
string beans, peas, New Zealand  
Spinach, beets, parsnips. We  
should like to have a list of the  
vegetables grown in the gardens  
of Morgan county and the varie-  
ties of each that you have tried  
with complete satisfaction. A  
half acre vegetable garden and  
an acre of fruit on every farm  
is a short slogan we are going  
to mention from time to time.

#### Timely Topics

1. Sunlight puts vim, vigor  
and vitality into little pigs and  
lambs.
2. Breed, feed, weed, read, is  
the creed of the successful live-  
stock man.
3. A mixture of charcoal (1  
bu.), wood ashes (1 bu.) air-  
slacked lime (8 lbs.), sulphur (4  
lbs.), pulverized copers (2  
lbs.) is as good a mineral mix-  
ture for hogs as you can buy.  
Make it yourself.
4. A good sire pays and is in-  
expensive in the long run.
5. Get rid of the boarder cows.
6. Now is the time to plan a  
silo for next fall.
7. Of course you have treated  
your oats. Now give those seed  
potatoes a formaldehyde bath be-  
fore planting. Why grow rough,  
scabby tubers?
8. Have you ordered that lime-  
stone and phosphate yet?
9. The successful farmer is the  
business farmer.

#### Soybeans

At the last meeting of the ex-  
ecutive committee they authorized  
the county agent to ship in all  
the soybeans he could procure at  
reasonable prices. This amount  
is small. If you want any of  
them when they come, let us hear  
from you. The Ebonies will cost  
\$7.00, plus freight.

#### Sprays

In the spray schedule men-  
tioned in our last circular, Nos.  
1, 2, 3 and 5 are the most impor-  
tant. Dry lime sulphur is just as  
effective as the liquid, but should  
be used according to directions of  
the manufacturer. Why not club  
together and get a community  
sprayer? After you have gotten  
into the habit of pruning and  
spraying your orchards, we want  
to talk to you about soil treat-  
ments for your orchard.

#### Does It Pay to Use a Pure Bred Dairy Bull?

The Dairy Department of the  
University of Illinois conducted  
a dairy survey in Kane and Henry  
counties, which sheds a lot of  
light on this subject. This sur-  
vey was made in 1912 on 577  
farms was classified in Group I;  
those where grade bulls were used  
in Group II. and where scrub  
bulls were used in Group III. The  
average farm labor income was  
then determined for each of these  
three groups. Here are the re-  
sults:

Farm labor income Group I,  
pure bred dairy bulls, \$862; Group  
II, grade dairy bulls, \$484; Group  
III, scrub bulls, \$170.  
Study these facts. Know them  
well. They will help strengthen  
your convictions that it pays to  
use a pure bred bull. Note that  
those farmers using grade bulls  
were making a little better than a  
hired man's wage. Those using  
pure bred bulls were making  
nearly twice the income as those  
using grade bulls. The farmers  
using scrub bulls were making  
about half a hired man's wage.

Plot Book Soil Survey Soils and  
Crops  
We have just added to our of-  
fice equipment a plotbook of the  
farms of organ county. If you  
know the township and section in  
which your land is located when  
you call at the office we can take  
this plot and the soil survey maps  
and show you the soil types found  
on your farm.

#### MINISTERIAL GATHERING AT CHAPIN

Yesterday at Chapin there was  
a gathering of pastors of Chris-  
tian churches to discuss the  
great Interchurch World move-  
ment. Rev. C. G. Cantral was  
host to the gathering which in-  
cluded Rev. Mr. Kuntz of Frank-  
lin, Rev. L. R. Cronkhite of Lynn-  
ville, Rev. Mr. Browning of Litter-  
berry, Rev. M. L. Pontius of  
Jacksonville and Mr. Nellis Crain  
from the Christian church at  
Woodson where they have no regu-  
lar pastor at present.

A fine dinner was served the  
visitors in the church and the  
time was profitably employed in  
discussing the great movement  
which is now attracting attention  
from many parts of the civilized  
world.

Special Showing Monday  
and Tuesday, new street and  
afternoon dresses, new din-  
ner gowns, new evening and  
dancing gowns, new wash-  
able frocks, displayed for  
easy inspection. Monday and  
Tuesday.  
F. J. WADDELL & CO.

John Holly of Arnold was  
among the callers in Jacksonville  
yesterday.
